Project Name	Deep Learning Fundus Image Analysis for Early Detection of Diabetic Retinopathy
Maximum Marks	2 marks

The image is a screenshot of the IBM Cloud Dashboard interface. At the top, the browser address bar shows 'cloud.ibm.com' with several tabs open, including 'Your Platform temporary password', 'IBM', 'Roundcube Webmail :: Inbox', and 'IBM Cloud'. The dashboard header features a search bar, 'Catalog', 'Manage', and 'sandhiya B's Account'. The main section is titled 'Dashboard' and includes a 'For you' grid with six cards. Each card has a title, a description, a 'Getting started' button, and a duration. The cards are: 'Build' (Explore IBM Cloud with this selection of easy starter tutorials and services.), 'Build a web app with Watson Speech to Text' (Deploy a conversational interface compatible with any application, device, or channel.), 'Get Started with Watson Studio' (Get started with using AI and Cloud Object Storage in 15 minutes.), 'Build a Virtual Private Cloud (VPC)' (Upgrade to a paid account to create your own protected space in the IBM Cloud.), 'IBM Watson Knowledge Catalog' (Help your data citizens easily find, prepare, understand and use the data they need through an enterprise data catalog & governance platform.), and 'Get started with IBM Watson Discovery' (Get up to speed with IBM Watson Discovery). The bottom section includes 'User access', 'News' (with links to 'WebSphere Application Server Support Restatement' and 'IBM Adds Lifecycle Services to Enterprise Networking and Cloud Managed Networking'), and 'Planned maintenance' (with an 'Activate Windows' notification). The Windows taskbar at the bottom shows the Start button, search bar, and various application icons, with a system tray indicating 'ENG IN' and the date '20:40 12-11-2022'.
